

# DEMENTIA CHAMPION 2 COURSE AND LUNCHEON!

Sheri Fairman has a Master's degree in Social Work and over 10 years of experience working with the elderly and their care partners. She is a Certified Independent Trainer and Consultant with Teepa Snow's Positive Approach to Care and works as a Mentor on her team.

Come join us at Dimensions Living Appleton for lunch and a Continuing Education Unit with speaker Sheri Fairman who will provide us with her Champion 2 Course focusing on Positive Approach to Care "care partnering" techniques, including Adaptations of the Positive Physical Approach™ (PPA) and Hand Under Hand™ (HUH). These newly learned skills enable care partners to learn to do things "WITH" rather than "FOR" or "TO" care recipients, leading care partners to create a more positive and caring environment.
