

Memory Keepers at OAK PARK® Place presents:

Dementia Progression: Shifting Focus

Thursday, January 18 • 11:00 am

Brin Hall at OAK PARK® Place Menasha
2205 Midway Road • Menasha, WI

For years, traditional dementia care has focused on lost skills, but what if we shifted focus and looked at what our loved one can do? This special presentation will provide insight into those experiencing brain changes and how studying remaining skills can lead to a better understanding of dementia and improved quality of care.

Sheri Fairman, owner of Dementia Care Solutions, LLC., is a Certified Independent PAC™ Trainer and Consultant. She provides dementia care consulting, coaching, and training to families and professional care partners.

RSVP by Tuesday, January 16.
