824 W. Winneconne Ave. | Neenah  
(Use Right Door)

**>> RSVP by March 18: Call Home Instead® at  
920.997.0118**

### **>> ABOUT THE SEMINAR**

As we age, we should expect changes to occur in our body and brain. That's why we need a back-up plan, regardless of our current health status. In this FREE seminar, you'll learn how to identify the early warning signs of dementia to develop a safe plan.
