Presented by: **Sheri Fairman, Owner**
of **Dementia Care Solutions, LLC,**
Certified PAC™ Mentor

Often the progression of dementia is measured in stages and focuses on what skills are lost. This doesn't give us any tools to help provide care and support. There is a better way to understand the progression of the disease-by looking at what skills remain. With Teepa Snow's GEMS State Model, attendees will gain deeper insight into the experience of the person with brain changes and shift their support accordingly.

EVENT DATE & TIME

TUESDAY, OCTOBER 15TH | 2:00 PM
Refreshments will be provided

EVENT LOCATION

Caretta Bellevue
1780 Servant Way, Bellevue, Wisconsin

We design units to be beautiful, easy to live in, and full of features that improve your quality of life.

- 9' ceilings and large windows for natural light
- All new stainless steel appliances & quartz countertops
- Satellite TV and WiFi Internet included

Boutique Assisted Living & Memory Care

Caretta seeks to enrich the rhythms of our residents' lives by fostering meaningful relationships, creating engaging experiences, and providing exceptional care.

• Assisted Living

Caretta's unique and intimate setting provides the perfect place for those needing a little daily support, those with very high care needs, and everyone in between. This cozy community provides gentle and frequent interactions throughout the day to help residents be happy and successful.

• Memory Care

Caretta's cozy and secure memory support neighborhood offers thoughtful services provided by people who genuinely care. A boutique, friendly environment of only 26 apartments means your loved one will benefit from a high level of attention from our care team.
