OUR AGING BRAIN

What is Typical? When to be Concerned?

Monday, November 25, 2024 at 5-6pm
Christian Community Home & Services
Marie Blakeman Center
1312 Wisconsin St. Hudson WI 54016

What is normal and when should we be concerned? If thinking and memory problems arise, can it be something reversible? YES! Find out more about the causes of these symptoms, what you can do to improve them, and how to know if it's something more serious.
