► Often the progression of dementia is measured in stages and focuses on lost skills, but this doesn't give us the tools to provide care and support. The GEMS State Model will help you gain deeper insight into the experience of a person with brain changes and shift your support accordingly.

*Presenter: Audrey Linn*

Audrey Linn is a Certified Champion Teacher with Teepa Snow's Positive Approach to Care and is a Certified Activity Director. She has a master's degree in art therapy and is a Dementia Care Consultant for Dementia Care Solutions. She has over 20 years' experience in healthcare and is passionate about training and coaching care partners and family members of those living with dementia.
